Dear Daniel,

Let me begin by expressing my sincerest appreciation for your service as an ARC volunteer. It is through dedicated persons such as yourself that we are able to serve those most in need. Our work would not be possible without people like you, Daniel.

The enclosed Certificate of Appreciation expresses our gratitude for your part in giving traumatized survivors a reason to hope. Thank you for your compassion and for choosing to make a difference.

Although the scope of human suffering is staggering, ARC is committed to doing what it can to help people rebuild their lives. The time and skill you have shared is an important contribution to this mission. On behalf of the many people that ARC has served, I thank you.

Sincerely,
